Comments: WE HAD A GOOD RUN OF BOTH WEANED & BAWLING CALVES TODAY. THE MARKET HAS SOFTENED A LITTLE FROM THE PREVIOUS HIGHS BUT REMAINS VERY STRONG, ESPECIALLY ON THE LIGHTER CATTLE. FAT BUTCHER COWS WERE A LITTLE SOFTER TODAY BUT THIN COWS AND BUTCHER BULLS WERE \$10 DOLLARS CHEAPER THAN LAST WEEK. ANNUAL DRY COW & BULL SALE NEXT WEEK JUNE 17TH!

These are extreme high spots and bulk prices.

Prices below are a representative sample:
