Comments: WE HAD AN EXCELLENT OFFERING OF CALVES AND YEARLINGS TODAY! DEMAND WAS GOOD ACROSS ALL CLASSES OF FEEDER CATTLE. THE MARKET SEEMS TO REALLY BE GAINING TRACTION WITH THE POSITIVE RUN WE'VE SEEN IN THE FUTURES THE LAST COUPLE WEEKS. WEANED CALVES & YEARLINGS ARE ESPECIALLY IN HIGH DEMAND, ALTHOUGH GOOD QUALITY BAWLING CALVES ARE STILL SELLING REALLY WELL. THE BUTCHER MARKET WAS STEADY. BRED COW & PAIR SPECIAL NOVEMBER 4TH

These are extreme high spots and bulk prices.
